

Frequently Asked Questions (FAQs) for CertifyDigital Inc.

Last Updated: November 10, 2025

General

Q: What is a digital certificate?

A: A secure, verifiable digital file (e.g., PDF with QR code) confirming your qualifications, skills, or achievements. It's blockchain-secured for tamper-proof authenticity.

Q: How long does issuance take?

A: 1-3 business days after document verification and payment. Rush options available for an extra fee.

Q: Are certificates printable?

A: Yes, high-resolution PDFs can be printed or shared digitally via email, LinkedIn, or resumes.

Pricing and Payments

Q: What are the costs?

A: Basic certificate: \$29. Premium (with blockchain embed): \$49. Subscriptions start at \$9/month for unlimited verifications. Prices exclude taxes.

Q: Do you accept international payments?

A: Yes, via credit card or PayPal. Currency conversion handled by our processor.

Q: Can I upgrade after purchase?

A: Yes, pay the difference for premium features. Contact support.

Verification and Security

Q: How do you verify my credentials?

A: We review uploaded docs (e.g., diplomas, transcripts) manually or via AI. Provide originals for fastest processing.

Q: Is my data secure?

A: Yes, we use AES-256 encryption and comply with GDPR/CCPA. Data is retained only for verification unless you opt for storage.

Q: What if my certificate is lost?

A: Download from your account dashboard anytime. Reissues cost \$5.

Support and Policies

Q: How do I contact support?

A: Email support@certifydigital.com or use live chat (Mon-Fri, 9 AM-5 PM EST).

Q: What is your refund policy?

A: See our full Refund Policy. Generally, 7-day window pre-issuance; non-refundable post-download.

Q: Can I transfer a certificate?

A: No, certificates are non-transferable and tied to your verified identity.
