

Return and Refund Policy for CertifyDigital Inc.

Effective Date: November 10, 2025

At CertifyDigital Inc., we strive for customer satisfaction. However, due to the digital nature of our products, our return and refund policy is limited. Please review before purchase.

1. Eligibility for Refunds

- **Full Refunds:** Available within 7 days of purchase if the certificate has not been issued or downloaded. Contact support@certifydigital.com with your order ID.
- **Partial Refunds:** For issued certificates, refunds are limited to 50% if verification fails due to our error (e.g., system glitch). No refunds for user-provided inaccurate data.
- **No Refunds:** Once a certificate is issued, downloaded, or shared publicly, it is non-refundable. This includes renewals, upgrades, or custom designs. Digital products are not returnable like physical goods.

2. Return Process

- Submit a request via our website portal or email within the eligibility window.
- Provide proof of purchase and reason for return.
- We process refunds within 10-14 business days to the original payment method. Refunds exclude processing fees (e.g., 3% Stripe fee).

3. Exclusions

- No refunds for buyer's remorse, changes in mind, or failure to read certificate details.
- International transactions may incur currency conversion fees, non-refundable by us.
- Bulk or enterprise purchases follow custom agreements.

4. Cancellations

Subscription auto-renewals can be canceled anytime via account settings, effective at the end of the current term. No prorated refunds for mid-term cancellations.

5. Disputes

If unsatisfied, contact us first. For unresolved issues, refer to our Terms and Conditions.

We reserve the right to modify this policy. Check certifydigital.com/refunds for updates.
